OUR FOUNDER

Managing Director
+60 (12) 214 8222

Established under the leadership of Mr. **Seah Woon Ling, Stanley, AUCS** embodies a wealth of expertise spanning over three decades, encompassing both Human Resources and the cleaning sector.

Drawing from his extensive background in banking and tenures with esteemed organizations like *King's Confectionery Sdn Bhd* and *Tenaga Bersih Sdn Bhd*, Mr. Seah discerned the disparities in service delivery and client contentment prevalent within the industry.

Motivated by a fervent commitment to address these gaps and provide unparalleled attention and service excellence, he began his entrepreneurial journey by establishing **Awana Unggul Sdn. Bhd.** in **2005**. This original business later transformed into **AU Cleaning Services Sdn. Bhd.** in **2013**., broadening its scope to cater to a diverse clientele, including residential, commercial and mixed-use developments.

Today, as the Managing Director of **AUCS**, Mr. Seah steers a specialized cleaning enterprise that stands as a hallmark of reliability and quality. With a robust presence in the Klang Valley, **AUCS** manages an array of projects, ranging from towering skyscrapers to quaint low-rise structures, consistently delivering exemplary service tailored to meet the unique needs of each client.
